c. CIA/Air Force Contracts: The Office of Legislative Liaison reports that the GAO team investigating CIA/Air Force contracts briefed the House Committee on Government Operations' Subcommittee on Legislation and National Security. The briefing went well and the Committee does not appear particularly interested in pursuing the matter. Apparently GAO did not present the Committee with any "significant findings." GAO was asked for a copy of the draft report before it is submitted to the Committee. GAO expressed total satisfaction with the treatment they received from the various Agency offices involved. ☐
